Natural Styles & Distinctive Statements!

Distinctive Appearance

Western red cedar rough sawn cedar boards and posts can be custom-styled for a truly distinctive appearance, such as the gentle slopes of convex and concave styles. 1x4 and 1x6 boards, 2x4 rails, 4x4 and 6x6 posts are available in standard sizes.

Open or Private Design

Western red cedar boards have flat tops with notched sides. Design your own landscape look from solid panels to spaced boards. Available in 1x4x4 to 1x6x8 boards; 2x4 rails in 8' and 10' lengths; 4x4 posts in 6' to 12' lengths.

Privacy with Style.

Natural sawn cedar boards create decorative shadow box panels for long, maintenance free life and beauty.

Merchants Metals handles a full line of Western Red Cedar Products and timbers from 4x4x6 thru 6x6x16. Please check with your local service center for stock availability and special order items.

For maximum performance Merchants Metals recommends that 3 backer rails be used on 6' and 7' high fences and 4 backrails be used on 8' high fences.

Wood fencing products are supplied from various mills in different parts of North America. Varied color combinations may exist with cedar boards and rails. Based on climatic conditions wood fencing items will fade, have some splits and may shrink and warp.
